Hey alex let me know if any questions on anything

:21 PM

Hey Marc! My agent just told me to go ahead because it looks fine- should be able to sign tomorrow when I'm at my desk etc!

Sorry this has taken so long, so many layers of bureaucracy to go through!

Cool beans! Can we have a phone call tmrw too after? Rachel rlly wants to meet u she's so excited about working on the stuff with you for stuffies & stuff

Trust me I understand the layers but u have to like cake cmon!

Get some sleep I just realized too jeez lol ur time diff is cray cray

I am excited too! I am busy from 5pmGMT so could do the call before if that isn't a bad time, I'm not sure of the exact time difference

Haha yeah I'm working on a book! Last push so some late nights

Ok well I'm sure ur killing it; u wanna just have the call this wknd after we're signed and u have a minute to breathe so we aren't rushed at all?

We'll show u all the files and stuff we've used it's actually rly fun
